

# STAGE SIREN

The jazz/musical theatre look

## Steps for Make-Up Application

Start with a clean & moisturized face

### Skin

- Apply liquid foundation, one shade darker than skin, over entire face including lips, eyelids, under eye area.
- Blend into neck.
- With large powder brush, smooth translucent loose powder over entire face
- Add extra loose powder on cheekbones and under eyes (leave on, until blending is called for)

### Eyebrows

- With brow comb, brush and shape brows.
- Use angled brush to fill brows in with eye shadow color that matches or is similar to hair color. Stay true to natural shape of the brow. Tweeze, beforehand, if necessary.

### Eyes

- With shadow brush, highlight brow bone with white eye shadow
- gold shadow in crease
- Brown shadow applied with makeup brush, darkest at lash line gradually fading up into crease.
- Brush translucent Loose Powder, from under eyes, away with large powder brush

- Black Waterproof Liquid Liner along lash line to outer corner of eye
- With angled brush, apply a neutral eye shadow under lower lashes as a liner
- White Highlighter Pencil in between Black Advanced Waterproof Liquid Liner and lower lash liner.
- Apply White Highlighter Pencil Line INSIDE lower lash line
- Half Lashes placed on lash line towards outer edge of eye
- Coat and bind lashes with Black Water Resistant Mascara

### Cheeks

- With blush brush, apply rose blush starting at hair line and pulling color forward and blending up
- Contour hairline and under jawbone with cheek color.
- Smooth Translucent Loose Powder over cheek and face to blend

### Lips

- Line and fill lips in with warm red (dark) Lip Liner. Use a q-tip to blend
- Fill lip in with Revlon #725 (Love that Red) Lip Stick (if desired, using lip brush)
