

Company Uniform Warm-Up Order

Dear Parents, Dancers and Teachers,

We have chosen a maroon and white warm-up suit (jacket and pants). It will be embroidered on the back with the logo you see above and your name will appear on the front. They are made of a tricot fabric, similar to an addidas warm-up. They are soft and don't make the "swish" sound.

As part of your package, you will have the option to receive a black back pack or a maroon duffle.
Price for either package is \$98.00

This is our company uniform is great to wear to all competitions, conventions and community events that we attend.

Please fill out the order form below and return no later than October 15, 2009. Please make checks payable to Looks/10. Thanks.
