Tuition Policy & Rates

There is a non-refundable registration fee for each student of **\$20.00** for our 11 month program, running September through July.

Dance/10 Performing Arts Center accepts tuition via electronic funds transfer (EFT) directly from your bank account. Automatic credit card (visa or mastercard) payments are accepted; **however a convenience fee will be added to the transaction.** The withdrawal policy stated below applies. All changes regarding EFT deduction MUST be made prior to the 15th of each month to assure the changes for the next cycle. There is also a \$25.00 fee for returned checks or debits.

The tuition is based on an 11 month program, September through July. Tuition is divided into 11 equal monthly installments and includes the show rehearsals and our winter and summer recitals. Even though some months have 3 weeks, other months have 5 weeks, and it averages out over the course of the 11 month program. ***Missed classes may be made up within a two week period from time of absence in any age/level appropriate class(may be a different style from what you are enrolled in) . Make up classes may not be used as tuition credit.**

Withdrawals and Refunds: There is a two-month minimum for all lessons. One month notice is required to discontinue any classes. Withdrawal must be done in person at the registration desk and will not be accepted over the phone, email, or with a teacher. Withdrawal must occur within the first 7 days of the month. To withdraw from classes a parent must complete and sign a withdrawal form provided at the registration desk. Until a withdrawal form is completed, a parent is financially responsible for that class' tuition. **No withdrawals will be accepted after May 1 for June or July classes.** Dance/10 reserves the right to terminate lessons to any students without notice. In such a case a refund for unused lessons will be given.
